

25X1A9a Memo on Cover Sheet to [REDACTED], Finance Division:

Per our conversation:

25X1A9a Home leave would be the only authority under which [REDACTED] could be returned at Agency expense. In consequent, when properly authorized in accordance with A2 of FN-20-560-1 which must have been accomplished since you have the travel order, I see no question in reimbursement of the expenses.

Since this is home leave travel, she will not be entitled to home leave again at government expense before another two year tour is served.
